Description

An elegant stack of crystal globes make up this lamp. Each mouth blown globe is drizzled with clear crystal to ensure that no two are the same. When the bulb is lit, the light reflects on the crystal creating a jewel-like effect. This lamp is available in a range of beautiful colours to add personality to any interior. All measurements are taken from base of the lamp to middle of the lamp fitting . Our Crystal lamps do not include lampshades as standard. To complete your lamp you have a choice between stocked crisp white satin lampshades, or we offer bespoke lampshades. Please see our lampshade page for more information about colours and fabrics available (3-4 weeks lead time). For the 'Elfreda' we recommend a 40cm drum lampshade. Please be aware that as this product is handmade by master artisans no two lamps will be the same and slight variations in finish and size are likely to occur. Please note all of our art glass pieces are lovingly MADE TO ORDER with a current delivery lead time of 4 - 6 weeks. Please contact us to enquire into stocked pieces available for immediate delivery.
