WILLIAM YEOWARD

# BACCA WRITING DESK - DOUBLE

## Description

The Bacca Double Writing Desk is a sleek and stylish desk. The hand inserted leather top eliminates the chance of damage to the top surface and it's always ready for use. Place it at a window or adjacent to a wall in the sitting room. It has 10 drawers and can be drilled to accommodate cabling. A real partners desk as this lovely piece can be worked at from both sides. "I loath untidy drawers so this way i can have my own side with tidy drawers and never have to look at other people's mess!" comments Yeoward. As with all William Yeoward bespoke furniture the Double Bacca Writing desk can be crafted in a variety of timbers from oak to chestnut through to mahogany and walnut.

The desk pictured uses Ingleston Anthracite leather.
