WILLIAM YEOWARD

MUFFY TABLE LAMP CLEAR

Description

The Muffy Lamp is a striking combination of a crystal globe on a conical base. Each mouth blown shape is drizzled with clear crystal to ensure that no two are the same. Shown in turquoise this lamp is available in a range of beautiful colours to add personality to any interior. Our lamps are produced using a US style harp and finial and come with a white linen shade as standard. This lamp is paired with our 18" drum lampshade. All measurements are taken from base of the lamp to the top of the shade.
