ALFIE TABLE LAMP SLATE

Description

Of all our crystal lamps, The Alfie is, without doubt, our most iconic. A chic and contemporary crystal lamp made from mouth-blown globes that are then drizzled with clear crystal to ensure that no two are the same. Hand produced here in the UK by skilled artisans, The Alfie is available in a range of beautiful jewel-like colors to add personality to any interior.

You can also bespoke your Alfie lamp and have the top globe in one color and the bottom globe in another. Please contact us and we will send you a bespoke quote.

Hand produced in England to order in approximately 3-4 weeks.

All crystal lamps come with an ivory cable and nickel lamp holder fitting as standard.

For Alfie we recommend a 18" drum or 20” empire lampshade. Price as shown includes a white linen shade. The lamp can also be purchased as base only, without a lampshade- please contact us to find out more.
