

# BRANCASTER DINING TABLE

From  
**£8,490.00**

## Description

The Brancaster reimagines the 'classic kitchen table' but in more modern and sophisticated form. Beautifully balanced with clean lines and subtle detailing, the square leg tops are intentionally revealed through its surface, creating a refined architectural accent that speaks to the artistry of its making. The solid wood legs also have chamfered detailing. Proudly hand made and hand finished in England.
