

## ARMAN SIDEBOARD

From  
**£15,990.00**

### Description

Proudly hand-crafted in England and with the slightest of nods to mid-century style, the Arman sideboard showcase beautifully sculptural form. A striking ebony string inlay runs through the top of both pieces, accentuating its clean lines and lending a refined contrast of tone and texture. Inset handles can be in the same wood, a contrasting wood or metal finish, or indeed painted in one of our 114 paint shades. Practical enough to live in a modern dining room, and elegant enough to feature in a workspace. Also available as a Dining Table.
