Description

A substantial and beautifully crafted lamp, Kristiana is equally at home in a modern or more traditional setting. Available in several colours, the base is glazed ceramic with a wonderfully soft sheen. Slight variations or white marks may occur, adding to the unique character of the piece, as each base is hand-glazed using traditional techniques. All Kristiana lamps come with an ivory cable with an inline switch and nickel lamp holder fitting as standard. BC fitting/ Bayonet Bulb / 13amp plug All measurements are taken from base of the lamp to middle of the lamp fitting . Kristiana does not include a lampshade as standard. To complete your lamp you have a choice between stocked crisp white satin lampshades, or we offer bespoke lampshades. Please see our lampshade page for more information about colours and fabrics available (3-4 weeks lead time). For Kristiana we recommend either a 45cm drum or an empire shade.
