

ATACAMA SAND RUG

From
£1,140.00

Description

Inspired by the landscapes of the Atacama Desert, this hand-knotted wool and jute rug captures the essence of one of the world's driest and most mesmerising places. Its rich palette echoes the desert's earthy tones, from shades of paler stone, to soft sand beiges and deeper browns. The combination of luxurious wool and rugged jute weaves together texture and depth, creating a tactile experience and providing an air of quiet sophistication.
