Description

This vibrant outdoor rug is a Yeoward favourite with its classic stripe design and bold summertime colourings of grass and citron. Cleverly designed and woven for outdoor use and made from 100% recycled PET (that's plastic bottles!) it is equally perfect for use indoors with the look and feel of a woollen flatweave that is full of detail and texture. The William Yeoward for Fine Cell Work Collection is a celebration of charming floral prints, colour, texture and embroidery. Working from nature-inspired patterns from Cath Kidston's 'Joy of Print' the collection is the perfect way to elevate your summer garden space.
