

ARMAN DINING TABLE

From
£8,990.00

Description

Proudly hand-crafted in England and with the slightest of nods to mid-century style, the Arman table showcase beautifully sculptural form. A striking ebony string inlay runs through the top of both pieces, accentuating its clean lines and lending a refined contrast of tone and texture. Practical enough to live in a modern dining room, and elegant enough to feature in a workspace. Also available as a sideboard.
