

# HERONSFORD LOW ARM ARMCHAIR

From  
**£2,250.00**

## Description

Effortlessly smart, elegantly proportioned with sleek angular lines, the Heronsford Low Arm is a superb armchair. The lowering of the arm of our original Heronsford gives the Heronsford Low Arm an entirely different and slightly more classical silhouette. Effortlessly smart and elegantly proportioned, this shape is enhanced by the deep stitched back detail and timeless design ethos. Designed as a group of sofas, modular units, a sofa bed and a chair, the Heronsford Low Arm is wonderfully versatile and superbly comfortable.

\*Total price dependant on customer's choice of fabric. If selecting own fabric, a barrier cloth may be required at an additional price in order to meet current FR legislation. Alternatively, customers can opt to have their fabric FR treated.

\*Due to the grid detail on the Heronsford, please be aware that pattern matching, particularly stripes, can never be aligned due to the stitching. To avoid mis-alignment we would suggest removing the grid detailing or selecting a plain fabric.
