Description

Comfort, luxury and style is at the heart of our 'concept' upholstery collection. A range of modern, upholstered furniture with timeless details and perfect proportions in a wide array of customisable finishes and fills. Sustainably hand produced by British artisans. Did we mention extremely comfortable?

The Shoreville Shallow bears the same hallmarks as our bestselling Shoreville sofa in terms of shape and style but crucially we have redrawn this shallower version to provide a very different fit. Taller legs as standard provide a higher seat height and we have reduced the depth too. The overall width has also been reduced to give you a smaller footprint. Supremely comfortable, just like the original, but for some, the 'shallow' will be easier to get in and out of.

For more information about this piece please email us on enquiries@williamyeoward.com, we'd be happy to help.
