

STRAND PANELLED SIDEBOARD

£14,060.00

Description

I found this lovely 1940s piece of furniture in a sorry state just outside Saint Tropez on a hot June day! remembers Yeoward. Looking for a large piece to store his ever expanding tabletop collection in his London apartment it seemed that this mid century piece answered all the requirements. The Strand is the perfect storage sideboard it is equipped with two cutlery draws and endless space. This perfectly considered design offers practicality and style combined, the Nickel detail works just a well in Bronze, sparkling and appealing from every angle. The original piece is still in use and much admired though much reproduced in varying dimensions. As with all William Yeoward bespoke furniture the Strand panelled sideboard can be crafted in a variety of timbers from oak to chestnut through mahogany to walnut.
