

CIRE CHEST 2 DOOR BUFFET WITH MIRROR

From
£17,790.00

Description

The Cire Buffet illustrated here in American walnut was inspired by the mirrored furniture of the Art Deco period but with the most appealing modern twist. The slim slatted arrangement of the front and the sides of this cupboard make it glamorous from three sides. The hand cut mirrored strips are applied between carefully selected and matched timber made in solid walnut. The cupboard sporting two sturdy doors covering a walnut interior complete with adjustable shelves makes this piece practical and flexible. Used at the side of a magnificent four poster bed or to the side of a sofa the Cire makes a statement. This cabinet, hand made and finished in England, is a fine example of William Yeoward design at its best. As with all William Yeoward bespoke furniture the Cire Cabinet can be crafted in a variety of timbers from oak and chestnut through to mahogany and walnut.
