

CAPSTAN DINING TABLE 68"

From
£11,990.00

Description

The top of the Capstan table has great atmosphere made by its 16 point star, in hand matched veneers. This artisanal technique requires years of practice and a great skill coupled with patience, which results in this stunning effect. The slatted base, which has a nautical feel, looks well in tradition and contemporary interiors. This table works in a bay window and seats 8. As with all William Yeoward bespoke furniture the Capstan Table can be crafted in a variety of timbers from oak and chestnut through to mahogany and walnut.
