

ASTI EXTENDING DINING TABLE

From
£9,190.00

Description

The hand selected solid walnut tabletop features two pull out leaves, which when extended continue the grain of this flawless wood. This simple design is made extra special as the sturdy top is inset with a delicate line of Ebony stringing, which is echoed on the base. All finished upon a swept step base foot. This Art Deco inspired table will adapt to suit every occasion. Looking sublime in a contemporary space for dining 4 people closed and 6 people when extended, or ideal behind a sofa with a pair of lamps. The underside of the tabletop is lined in finest quality baize so it doesn't mark when open and closing. As with all William Yeoward bespoke furniture the Asti Extending Dining Table can be crafted in a variety of timbers from oak and chestnut through to mahogany and walnut. Our seating guide is based on a carver chair, so may vary depending on your choice of seating. As a bespoke piece of furniture we can adjust the size to suit your requirements, please contact us to discuss in further detail.
