

ARMAN COFFEE TABLE WITH DRAWER

£5,458.00

Description

The Arman is a beautifully understated piece, sculptural in form, a drawer hidden in the depth of the rail! The joints are expertly assembled, and then finished by hand to be smooth and perfect. The tabletop is strung with ebony. The clean lines of its design work perfectly in contemporary living spaces, sit in front of a Houdan Sofa or Obecca Chair in Living room or Reception area. As with all William Yeoward bespoke furniture the Arman Coffee Table can be crafted in a variety of timbers from oak, chestnut through to mahogany and walnut.
