

KEMBLE TABLE

Description

The Kemble is a beautifully understated piece, sculptural in form. Suitable to be used in a contemporary living or workspace. The Chestnut top and legs have been expertly applied with an ebonised highlight to improve detail and finish. Used with a Kent or Malbia sofa the Kemble serves as a great end table. As with all William Yeoward bespoke furniture the Kemble Table can be crafted in a variety of timbers from oak and chestnut through to mahogany and walnut.
