Description

The Arley Console Table has a modern gothic inspiration and looks stylist from every angle. The hand selected chestnut panels are carefully cut to produce the perfect quatrefoils that give this piece its style and define its size. The informal qualities of Arley make it suitable for traditional interiors, whether in a hall, dining room or kitchen. As with all William Yeoward bespoke furniture the Arley Console Table can be crafted in a variety of timbers from oak, chestnut through to mahogany and walnut.
