

ARMAN TABLE

From
£8,690.00

Description

The Arman seats 6 people. It is a beautifully understated piece, sculptural in form. The joints are expertly cut and assembled by hand. The elegance and simplicity is enhanced with ebony string inset in the top, further highlighting its lines. Practical enough to function in a contemporary dining space, workspace or act as a side table to display your William Yeoward hand-blown coloured art glass collection! Look to pair this with the smaller but equally elegant Arman Coffee Table, with Drawer. As with all William Yeoward bespoke furniture the Arman Table can be crafted in a variety of timbers from oak and chestnut through to mahogany and walnut. Our seating guide is based on a carver chair, so may vary depending on your choice of seating. As a bespoke piece of furniture we can adjust the size to suit your requirements, please contact us to discuss in further detail.
