

CHERINGTON BOOKCASE SCALLOPED TOP

£24,988.00

Description

A great storage cabinet with a scalloped top for a traditionally decorated dining room. This piece of furniture can be lit internally to show collections of books, glass or porcelain that makes a focal point in any scheme. Capacious yet elegant this cupboard will always find a home in a rectory or manor house. Painted black and waxed gives the cupboard an altogether more urban and edgy feel for an apartment or loft space and hand cast bronze knobs finish the entire look. Choose from our 3 shades of off-white for a softer mood. As with all William Yeoward bespoke furniture the Cherington Bookcase can be crafted in a variety of timbers from oak and chestnut through to mahogany and walnut.
