Description

The Sebastian Lamp is completely handmade in the UK from 24% lead crystal. With its hand applied decoration this lamp base is given a new dimension. Available in a range of beautiful colours to add personality to any interior. All measurements are taken from base of the lamp to middle of the lamp fitting . Sebastian does not include a lampshade as standard. To complete your lamp you have a choice between stocked crisp white satin lampshades, or we offer bespoke lampshades. Please see our lampshade page for more information about colours and fabrics available (3-4 weeks lead time). For Sebastian we recommend a 40cm drum lampshade. Please note all of our art glass pieces are lovingly MADE TO ORDER with a current delivery lead time of 4 - 6 weeks. Please contact us to enquire into stocked pieces available for immediate delivery. A bit of WY team member endorsement for Sebastian in Midnight by Mike - our Transport Manager: "My favourite piece has to be the 'Sebastian Table Lamp' in Midnight. The colour and applied decoration remind me of flowing water, especially when the light hits it from different angles during the day and into the evening. It truly is a magical piece of design!"
