

ALFIE TABLE LAMP - MIDNIGHT

£1,590.00

Description

Of all our crystal lamps, indeed of anything we have designed at William Yeoward, The Alfie is, without doubt, our most iconic. A chic and contemporary crystal lamp made from mouth-blown globes that are then drizzled with clear crystal to ensure that no two are the same. Hand produced here in the UK by skilled artisans, The Alfie is available in a range of beautiful jewel-like colours to add personality to any interior. Our Crystal lamps do not include lampshades as standard. Choose from three styles of shade in four luxurious silk colours and four smart linen options, available to order to suit your choice of lamp and interior. If you order a lampshade at the same time as your lamp a shade carrier will be included. You can also bespoke your Alfie lamp and have the top globe in one colour and the bottom globe in another. Please contact us and we will send you a bespoke quote. All measurements are taken from the base of the lamp to the base of the shade carrier. Please be aware that as this product is handmade by master artisans no two lamps will be the same and slight variations in finish and size are likely to occur. Please note all of our art glass pieces are lovingly MADE TO ORDER with a current delivery lead time of 4 - 6 weeks. Please contact us to enquire into stocked pieces available for immediate delivery.
