

REX CHAIR

£2,862.00

Description

The new Rex chair, super smart, a man's chair for the art of relaxation! This William Yeoward armchair is bench made by hand in England. Each frame is constructed of sustainable European hardwood with dowelled screwed and glued joints. The interiors are traditionally hand webbed and sprung using British products and fillings. Where appropriate legs are polished and finished with handmade castors and individually nail head trimmed. Each piece of our upholstery is custom made for the individual client with their choice of wood and fabric.
