

LIGHT UP SNOW HOUSE (STYLE B)

£14.95

Description

Create a little winter village on your Christmas table this year with these light up houses available in 3 styles. Handmade from white cardboard with glitter and crystalised snow, each has it's own Christmas fir tree. Flick the switch on the base of the house for a magical light display through the windows, shades of green, blue, red and violet will enchant children and adults alike (the battery is included). Can also be hung on the Christmas tree or grouped together on your mantelpiece.
