

CAPSTAN OVAL TABLE

From
£9,390.00

Description

The top of the Capstan table has great atmosphere made by its 16 point star, in hand matched veneers. This artisanal technique requires years of practice and a great skill coupled with patience, which results in this stunning effect. The slatted base, which has a nautical feel, looks well in tradition and contemporary interiors. This table sits 6 guests. As with all William Yeoward bespoke furniture the Capstan Table can be crafted in a variety of timbers from oak and chestnut through to mahogany and walnut. Our seating guide is based on a carver chair, so may vary depending on your choice of seating. As a bespoke piece of furniture we can adjust the size to suit your requirements, please contact us to discuss in further detail.
