

LARGE FISH PLATTER - RAIN COBALT

£159.00

Description

Terrafirma ceramics by Ellen Evans are a collection of pieces made entirely by hand and kiln-fired to extremely high temperatures, giving each piece its own personality and great durability. Patterns are created by painting through textiles and lace using liquid porcelain to produce a distinctive "one of a kind" result. The base of warm, natural stoneware juxtaposed with vibrantly coloured and patterned porcelain surfaces, achieves the casual yet sophisticated look that we so love.

Each collectible, copyrighted design is signed and dated. All Terrafirma is food safe and completely dishwasher safe. Care for your Terrafirma pieces as you would any fine china.
