

## HAWFORD DINING TABLE - KITCHEN OAK

**£5,550.00**

### Description

The Hawford kitchen table has been sat at by my family for almost two generations. I can remember my mother making bread at this table while we experimented as chefs turning our hand to making our first cake. The finish that I choose to call kitchen oak is exactly that, a lovely solid plank of oak coloured to resemble the original C19th table. We have made one modification in that this table extends to allow even more friends to join together and have fun.

Extended size: 355cm x 110cm x 76cm
