

BICKERTON COMMODO WASHED ACACIA

£5,290.00

Description

The Bickerton Commode with its extraordinary and much admired bronze hardware was inspired by an English 18th century chest in the painted Swedish genre. This bow-fronted piece with its polka dot drawer lining is a classic in its own time. Use it in an entry or a bedroom or even as a pair, each side of a chimney piece in a drawing room.
