

# MARQUETTE CONSOLE GREY FRUITWOOD

£2,850.00

## Description

The inspiration for the Marquette was a 19th-century fruitwood table owned by William's cousin in Wiltshire. The name 'Marquette' was inspired by it's original position in a room that had a rather French feel. Elegant with a fine form and topped with sturdy marble makes Marquette ideal for everyday purposes.

Please note this product is only suitable for delivery to mainland UK postcodes.
