

OLIVE OIL BOWL - OCEAN

£45.00

Description

Our mouth blown olive oil bowls are available in 20 colours. A useful addition to any table setting, use as a small dipping bowl or for salt and pepper.

We love that each is slightly different due to the freeform style of making. All measurements are approximate as bottles will vary slightly, no two are exactly the same.

If you don't see the colour option you require listed, please call us on: 020 7349 7828 and it can be made to order.
