Description

A classic William Yeoward design from our bespoke range which is now available as part of the ...collected range in a stocked size and finish.

Under designed can be overdesigned in a minimal environment said William Yeoward when he had finished the sublime Hyme. The Hyme chest which has become one of our Signature pieces at William Yeoward is an all round storage sideboard or cabinet capable of housing most all things needed for dressing a dining table. The slim elegance of the Hyme belies its capacious volume. The slats applied to the front and sides of the sideboard allow it to be viewed from 3 sides. Use the Hyme in a passage, on a landing, in a dining room or sitting room it will always look the part.
