

ELFREDA TABLE LAMP - GOLD RUBY

£1,250.00

Description

An elegant stack of crystal globes make up this lamp. Each mouth blown globe is drizzled with clear crystal to ensure that no two are the same. When the bulb is lit, the light reflects on the crystal creating a jewel-like effect. This lamp is available in a range of beautiful colours to add personality to any interior.

All measurements are taken from base of the lamp to base of shade carrier.

Our Crystal lamps do not include lampshades as standard. We do however stock three styles of shade in four luxurious silk colours and four smart linen options, available for you to order to suit your choice of lamp and interior. If you order a lampshade at the same time as your lamp a shade carrier will be included. For the 'Elfreda' we recommend a 16" Drum lampshade and 5" carrier.

Please be aware that as this product is handmade by master artisans no two lamps will be the same and slight variations in finish and size are likely to occur.
