

ELFREDA TABLE LAMP - MIDNIGHT

£1,350.00

Description

An elegant stack of crystal globes make up this lamp. Each mouth blown globe is drizzled with clear crystal to ensure that no two are the same. When the bulb is lit, the light reflects on the crystal creating a jewel-like effect. Shown in Midnight it is available in a range of beautiful colours to add personality to any interior.

Our studio art lamps are sold without shades, we recommend that a large sized straight drum shade is used with this lamp base.
