

COLLANA END TABLE - WASHED ACACIA

£1,750.00

Description

"I remember when first dealing in antiques I found a small wall shelf with this great ram's head carved underneath it. 35 years later the ram re-appears as the finial and foot for this excellent 3 tier end table. I have already "plonked" a pair on each side of the sofa in my cottage. Used for lamps and books this table ticks all the boxes" William Yeoward
