

# SCENTED CANDLE - HEIA

£55.00

## Description

300g scented candle in an embossed ceramic vase with oiled oak lid.

Enjoy the fragrance of; Heather & thyme, bearberry & leaf sap.

Heia (heathland), remote wilderness, primeval terrain, nourishment for the soul. The rough, exposed terrain in the higher altitude fells of Norway and Sweden offers a colourful home to hardy shrubs, wild herbs and berries, and fragrant hills of heather.

Made from a blend of perfume and a rapeseed wax blend with a 100% cotton wick and engraved oak lid. Poured inside a ceramic vase, it will burn for up to 65 hours. Designed in Denmark, made in France.
