

SNOW GLOBE - NEW YORK CITY

£69.00

Description

A globe full of snow, simple yet gives a dramatic snowstorm when shaken. A modern interpretation of childhood memories, you immediately want to shake it.

This snow globe is made of glass and cast resin, presented in a beautiful gift box.

Care instructions: Clean the snow globe with a soft cloth, glass cleaner can be used on the glass ball. It is important not to expose the snowflake to direct sunlight, as the glass may act as a magnifying glass. In addition, direct sunlight may cause the water in the snowflakes to change colour.
