

PIEDRA CHARCOAL 160X260 RUG

£1,095.00

Description

Imagine a fossil hunting day trip to Dorset's Jurassic coast and the excitement felt by young and old alike as you search for ammonites! This most ancient of forms has been translated to create a modern and sophisticated rug to suit any home. Hand tufted in pure wool, the charcoal ground has been double dyed to create the wonderful shading effect and then tufted again to form the pattern.

Hand tufted, 100% wool. Available in 3 sizes.
