Description

For Spring/Summer 2021 we are thrilled announce the launch of 'Alfie Junior', a perfectly formed and slightly smaller version of our Iconic Alfie. A chic and contemporary crystal lamp made from mouth blown globes that are then drizzled with clear crystal to ensure that no two are the same. Hand produced here in the UK by skilled artisans, 'The Alfie' is available in a range of beautiful jewel like colours to add personality to any interior. Our Crystal lamps do not include lampshades as standard. We do however stock three styles of shade in four luxurious silk colours and four smart linen options, available for you to order to suit your choice of lamp and interior. All measurements are taken from base of the lamp to base of shade carrier. Our art glass is handmade in Great Britain, if your chosen style is not in stock it will be made especially for you in 4 - 6 weeks.
