Description

A collection of 80 imaginative games and activities designed to engage and entertain without a screen.

Whether we're big or small, it can be hard to get away from our screens. Screens promise endless entertainment, but the more time we spend with them, the more we lose sight of all that is strange, fascinating and delightful in the world around us. Even when we're stuck indoors, there are infinite possibilities for banishing boredom and having fun so long as we use our imagination.

Screen-Free Fun contains 80 of the weirdest and most wonderful activities children can do at home, all without using a screen. Rather than scrolling or tapping, you'll be invited to draw, make, write, invent, dress up, hide, seek and discover. It is a compendium of the world's strangest, silliest and most stimulating activities - all you need is your imagination!

Activities Include:

- Your Own Orchard
- Make Yourself Tiny Game
- Combining Flavours
- Haunt Your Own House
- Maps of Imaginary Places
