

LARGE GOLD CERAMIC APPLE

£545.00

Description

Gold-plated and larger than life, the beauty of this large gold ceramic apple is hard to ignore. Use as a table centerpiece to seriously ramp up your table setting or place atop your mantelpiece or coffee table. Created by hand and finished with a transparent brilliant varnish this large gold ceramic apple oozes luxury and decadence. A Brazilian-German collaboration, Bull & Stein was founded in São Paulo by Cynthia Stein and Marcus Bull in 2000. Their luxurious, tongue-in-cheek creations spanning vases, objet, and sculpture are world-renowned and now you can own a piece of it! Available in Small and Medium. Indoor only.
