

MR WATSON TABLE LAMP IN FLASH RED

£175.00

Description

Made from a stylish combination of ash wood and aluminium, the Mr Watson Table Lamp is a very handsome chap indeed. Sit him on a shelf above your writing desk to shroud yourself in warm, soft light or let his ash wood legs dangle down from a console table in a sitting room or hallway to give your guests the most charismatic welcome.

Built with flexible wooden limbs you can style your Mr Watson as you wish. With a powerful LED bulb and 139 glass dimples that will create a warm and inviting atmosphere

Available in Flash Red, Cobra Blue and McLaren Orange

G4 Bulb: 12 Vdc, 3 W LED (included)

2.2m cotton brown cord
