

CAPSTAN DINING TABLE 54"

Description

The top of the Capstan table has great atmosphere made by its 16 point star, in hand matched veneers. This artisanal technique requires years of practice and a great skill coupled with patience, which results in this stunning effect. The slatted base, which has a nautical feel, looks well in tradition and contemporary interiors. This table works in a bay window, and seats 6. As with all William Yeoward bespoke furniture the Capstan Table can be crafted in a variety of timbers from oak and chestnut through to mahogany and walnut. As a bespoke piece of furniture we can adjust the size to suit your requirements, please contact us to discuss in further detail.
