US\$2,250.00

Description

For Spring/Summer 2021 we are thrilled announce the launch of 'Alfie Junior', a perfectly formed and slightly smaller version of our Iconic Alfie. A chic and contemporary crystal lamp made from mouth blown globes that are then drizzled with clear crystal to ensure that no two are the same. Hand produced here in the UK by skilled artisans, 'The Alfie' is available in a range of beautiful jewel like colours to add personality to any interior. Our lamps are produced using a US style harp and finial and come with a white linen shade as standard. This lamp is paired with our 16" Drum lampshade. All measurements are taken from base of the lamp to the top of the shade.
