

ZAFIRO - OCHRE OUTDOOR AREA RUG, 11'5" X 8'2"

US\$1,995.00

Description

Outdoor or Indoor? You decide! This classic Yeoward stripe is very much a favourite design. Neutral with ochre, the stripes are perfectly balanced and are full of interesting woven detail. This has been so cleverly produced, with the look and feel of a woollen flat weave, that you would never guess it had been designed for outdoor use.
