Description

Our 'Nyla' table lamp has been sandblasted to create an opaque finish and swirls and spots of colour within the crystal which give these new designs an almost handpainted look and feel! Both the 'Nyla' and its bigger sister 'Ariana' are really quite extraordinary and perfect examples of the artisan crystal blowers skill. The 'Nyla' is available in Amethyst, Indigo, Sage, Sea Green, Slate and Spice. Our Crystal lamps do not include lampshades as standard. All measurements are taken from the base of the lamp to the middle of the lamp fitting.
