

Gravetye Manor

Set in one of the most magical surroundings, it was a real pleasure to work on this truly beautiful Tudor Boutique Hotel, showcasing some of our wonderful Benchmade Sofas and Chairs covered in WY fabric, authentically reimagined to retain the period and essence of the Hotel.

HARRINGTON CLUB CHAIR

We created the 'Harrington Club' chair specifically for Gravetye Manor, this chair was completely made from scratch and was based on the 'Club' chair. We changed the proportions and removed the nailing.
